My Dear Student Friends:

I would like to congratulate you on the splendid job of editing "The Roar" this year. May each of you let it keep alive the memory of your friends and glorious spirit of New Deal School.

Set a standard for yourself and keep reaching for it. To reach success you have to go straight. Every crooked turn you make lengthens the trip. Your determination to make good is a first mortgage on success.

Doing a thing better than any other person has ever done is all right, but the world will remember you longer if you will do something worth while that has never been done before. Be an opener of doors to those who come after you.

May God bless each of you and give you the good things in life which you may deserve.

Your friend always,

Dalton L. James

To those students who must leave our school this year I wish to say thank you for the contributions you have made to our school toward its betterment and progress.

I hope that in your near future you will discover that our school has given you the proper foundation and ground work to enable you to experience outstanding success, regardless of your field of endeavor. I further hope that your field of endeavor will be such that direct application can be made of the principles you have received during your years of high school. I hope, too, that all of you will continue to explore the fields of learning until such time as you feel that you can best serve humanity in its moral, spiritual, and economic strife to make our community, our state, our nation and our world a better place for the future generations to live.

May God be with you in your endeavor and may you seek always to serve Him that our nation may remain one of free people.

Forever a friend

First Row: Ouida, Kenneth, Clara, Dolores, Judith, Mrs. Henry. Second Row: Shirley, Laveta, Ida, Sylvia. Third Row: Frances, Dana, Maxine, Gladys, George. Fourth Row: Anniece, Mr. Henry.

The people shown in the picture above are the Captains of our various athletic teams. Jo Ann Ashmore and Sylvia Wright were the Captains of the Girls Basketball team which went to and was runner-up in the Regional Tournament.

Willie Cox, Gary Brownlow and Harold Williams led the Lions on the Gridiron. That they did a fine job is attested by the team record of eight wins and two losses.

Willie also captained the cagers and performed well on the cinders, sending a number of records toppling.

The freshmen girls, Glenna Phillips and Glen Dean Price, look plumb happy as they are presented their letters by Coach Shipley-right.

DONALD HOBGOOD

Donald, a senior guard and three year letterman made it useless for the opponents to try and get through his part of the line. A back injury kept this 160 lb. Lion out of the last game.

Far Left

EUGENE SHROPSHIRE

He earned his letter at right guard. The experience he gained will be of great value to the team next year. He tipped the beam at 146 lbs.

JAMES PERKINS

The team was given strength by this 188 lb. mass of junior. James, a three year letterman, played right end. A feather in his hat this year was being on the first all-district team.

SAMMIE WILLIAMS

Sammie, a junior, is a two year letterman. Even though he was a little late in getting started, he put all of his 155 lbs. into the center position and gained a position on second team all-district.

BILL KELLY

"Booger Red" tips the beam at 145 lb. He has lettered three years. Noted for his tenacity, a ball to Bill can always be good for a few yards.

GENE EMERY

Weighing 115 lbs. this freshman won his first letter at left half-back. This well-stacked little man will certainly add experience to the Lions' team next year.

CLARENCE ASHMORE

This young but experienced 145 lb. freshman earned his first letter at quarterback. Even though Clarence broke one of his fingers, he still couldn't be stopped.

CARL TEETER

Weighing 170 lbs., this hunk of sophomore center will be of great value to next years team. Carl never gave up no matter what the score. He has definitely earned his letter.

ROBERT JEFFCOAT

Robert has played football 3 years and has lettered 3 years. Playing left half-back, and weighing 156 lbs. this junior was responsible for many of the Lions touchdowns.

GARY SMITH

Gary earned his letter this year at left end. Any end run started his way was always stopped by this 145 lb. sophomore. His ability will be welcomed next year.

WILTON PHILLIPS

A versatile hunk of sophomore, weighing 160 lbs., Wilton played end and full back. Wilton is a two year letterman. His versatility will be a great help to next years' Lions.

Above

WENDELL WOODS

Playing guard on defense, this muscle man from the junior class tipped the scales at 168 lbs. Wendell had an extremely good season this year. He is a two year letterman.

DONALD WILLIAMSON

DON SNIDER

Don is a 130 lb. end. A member of the sophomore class, this was Don's first year to letter. The Lions are planning to use his experience next year.

CHARLES PRICE

This wee sophomore back weighed in at 126 lbs. He earned his first letter at New Deal playing back. Next year this young man will add experience to the team.

WAYNE CASTNER

A very valuable man to the team this year, was this hunk of man and muscle. Wayne, weighing 210 lbs. was the heaviest man on the team. He played tackle and is a two year letterman.

Below

BOBBY WIESS

The Lions had on their team this year a 142 lb. guard by the name of Bobby Wiess, who will make himself felt next year. This sophomore boy won his first N. D. letter this year.

JAMES BIGBIE

James earned his letter this year at left end. To the opponent this 175 lb. sophomore felt like a brick wall. Next year this big boy will be hailed by the coach.

GIRLS' BASKETBALL

Our Girls, piloted this year by Coach Sam Shipley emerged as Bi-District Champions and Runner-up in the regional tournament.

The Lionesses won 25 games out of 29 starts.

One of the losses was to mighty Dimmit who went on to win the State Championship.

WELL DONE! GIRLS.

Jo Ann Ashmore - Captain

Back row: left to right: Sam Shipley-Coach, Sylvia Wright-Capt., Anniece Durham, Jo Ann Ashmore-Capt., Ruth Cox, Glenna Phillips, Linda Miller, and Mrs. D. L. James-Asst. Coach. Front row: left to right: Glen Dean Price-Mgr., Rita Bumpass, Margaret Isaacs, Jerry Perrin, JoDell Meyers, Sally Crosnoe, Johnnie Looney, and Shirley Perkins-Mgr.

Sylvia's face mirrors triumph as she carries off a trophy at the New Deal Tournament and along with the rest of the team she may well be proud of their accomplishments on the court this year. We are all proud of our girls who won District, Bi-District, and ran a close second in Regional.

The two seniors on the squad, Sylvia Wright and Anniece Durham along with Jo-Ann Ashmore paced the team throughout the successful season. These girls are pictured at right.

The team below is the basis for our hopes for the future--the freshmen. They played a schedule of their own as well as backed up the varsity team.

WELL DONE, GIRLS!

BOYS' BASKETBALL

The New Deal LIONS, ably led by Mentor Cordell Brown, enjoyed a good season on the basketball court. Even though they won 8 games and lost 14, most of the losses were very close, usually 1 or 2 points.

Each member of the team played the game for the pleasure of the sport and for the glory of New Deal High. No boy showed an unseemly attitude or a desire for personal gain. They were a team.

On the court, the boys were paced by Captain Willie Cox, a winner of the "Most Courageous Athlete" award.

Left to right: Carl Teeter, Bill Kelley, Wilton Phillips, James Bigbie, James Perkins, Clarence Ashmore, Donald Hobgood, and Coach Brown.

Back row: left to right: Gary Smith, Wilton Phillips, James Bigbie, Billy Carpenter, Coach Brown.
Front row: left to right: Donald Williamson; manager, Don Snider, Bobby Weiss, C. L. Cowan, and Charles Price.

Left to right: Donald Williamson; manager, Dale Worthan, David Cox, Clarence Ashmore, Carrol Nash, John Ford, Eugene Shropshire, Carroll Teeter, Gene Emery, Larry Stephenson, and Coach Brown.

TRACK EVENTS

The Track Team did a good job this season winning the district meet hands down with 50 1/2 points. Willie Cox stood out all the way being high point man in the meet.

Bill Kelley, Gary Brownlow, Carl Teeter, Robert Jeffcoat, and James Perkins also earned points in the meet.

In the regional meet, New Deal tied for 2nd place with Hale Center with 15 points. Two boys went to the state meet.

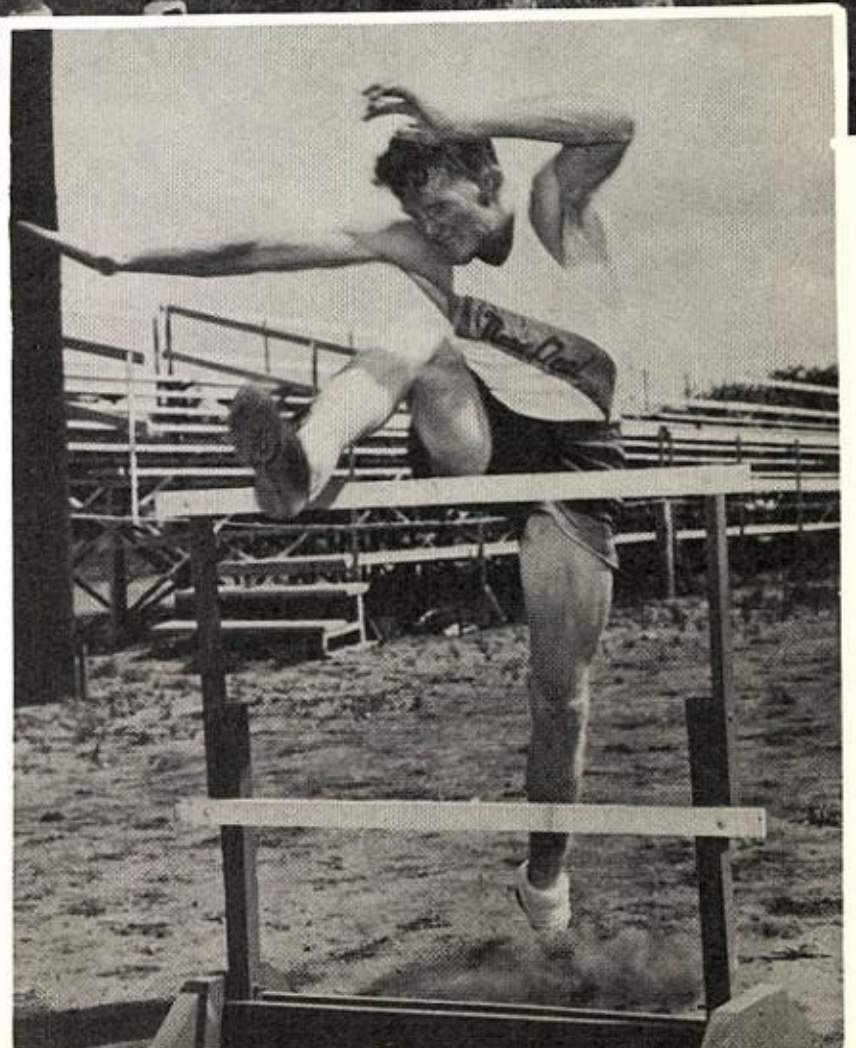

Left to right: Charles Price, Robert Jeffcoat, Willie Cox, Wilton Phillips, James Perkins, Bill Kelley, Gary Brownlow, Carl Teeter, and Coach Brown.

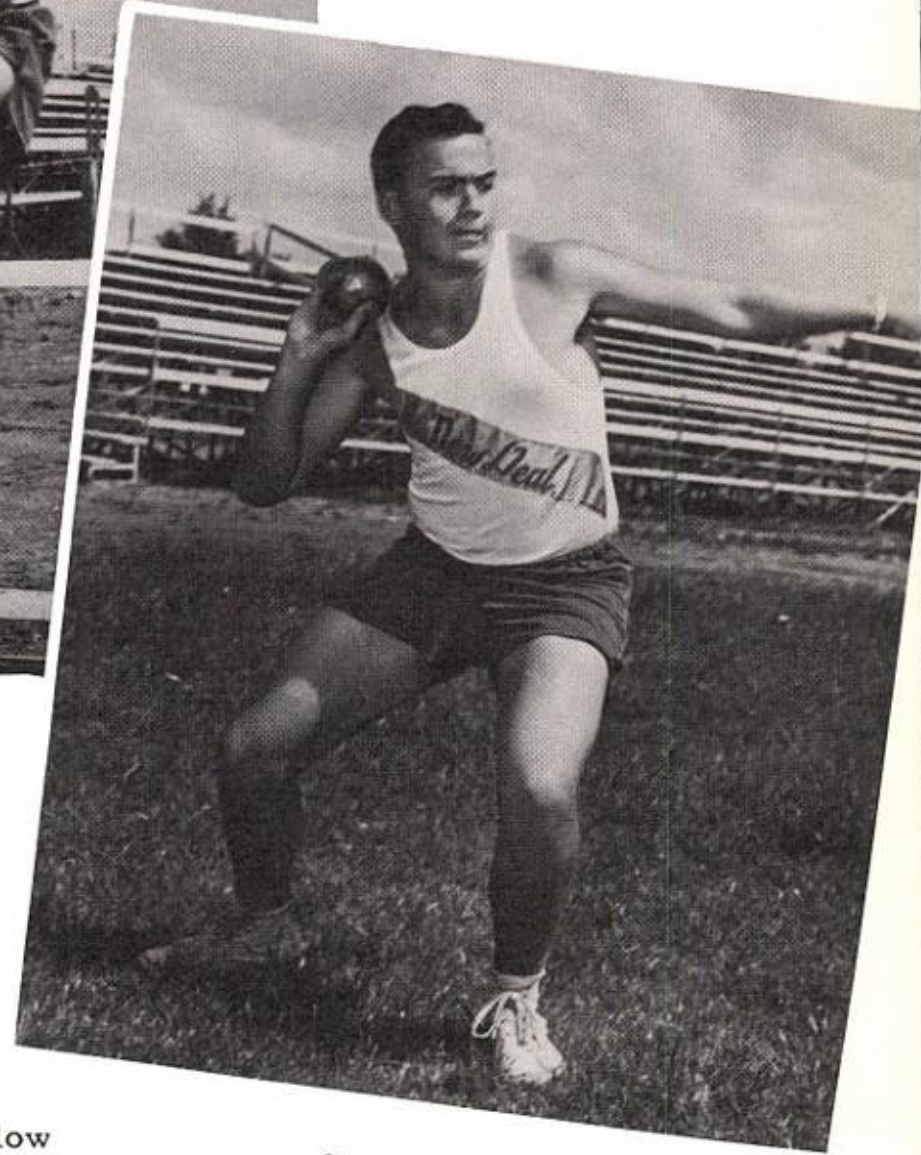

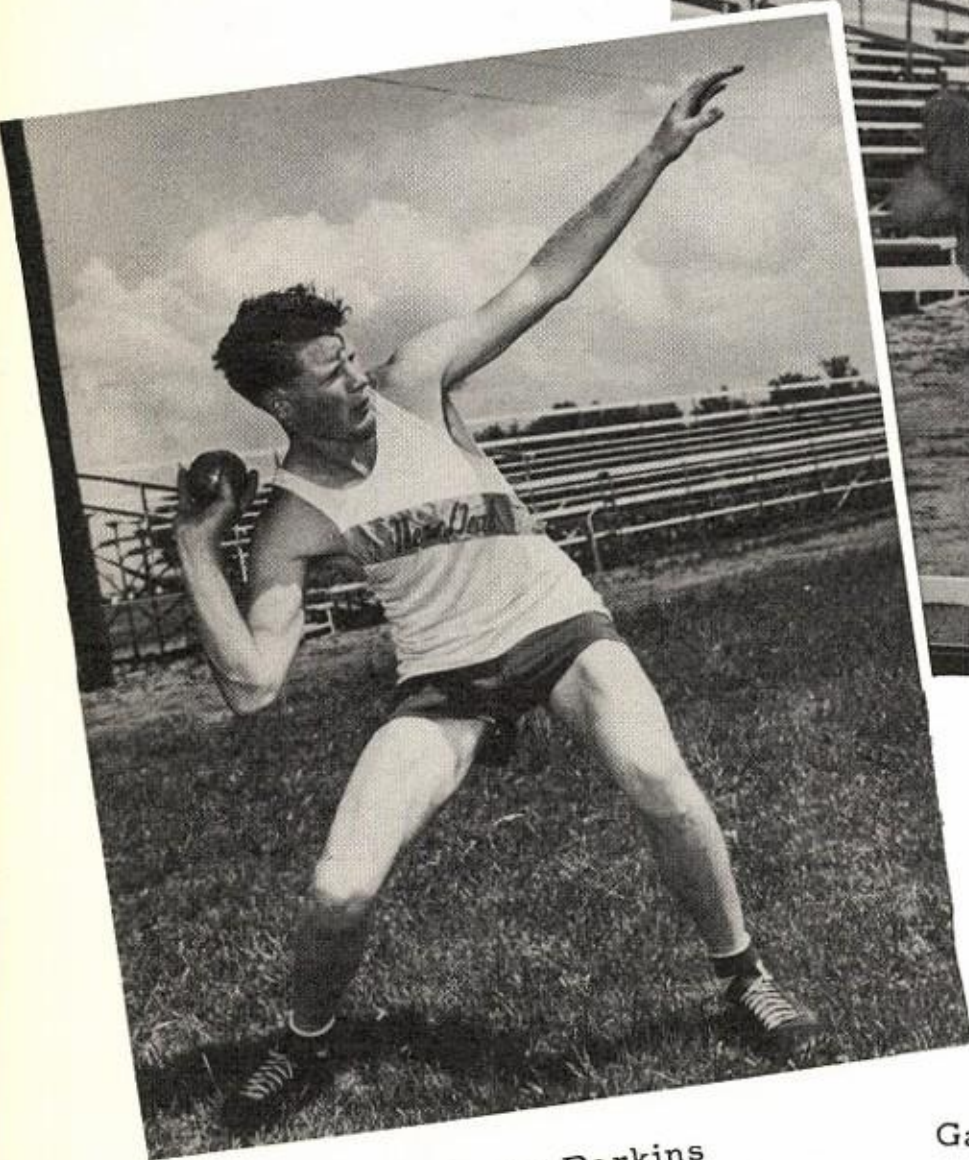

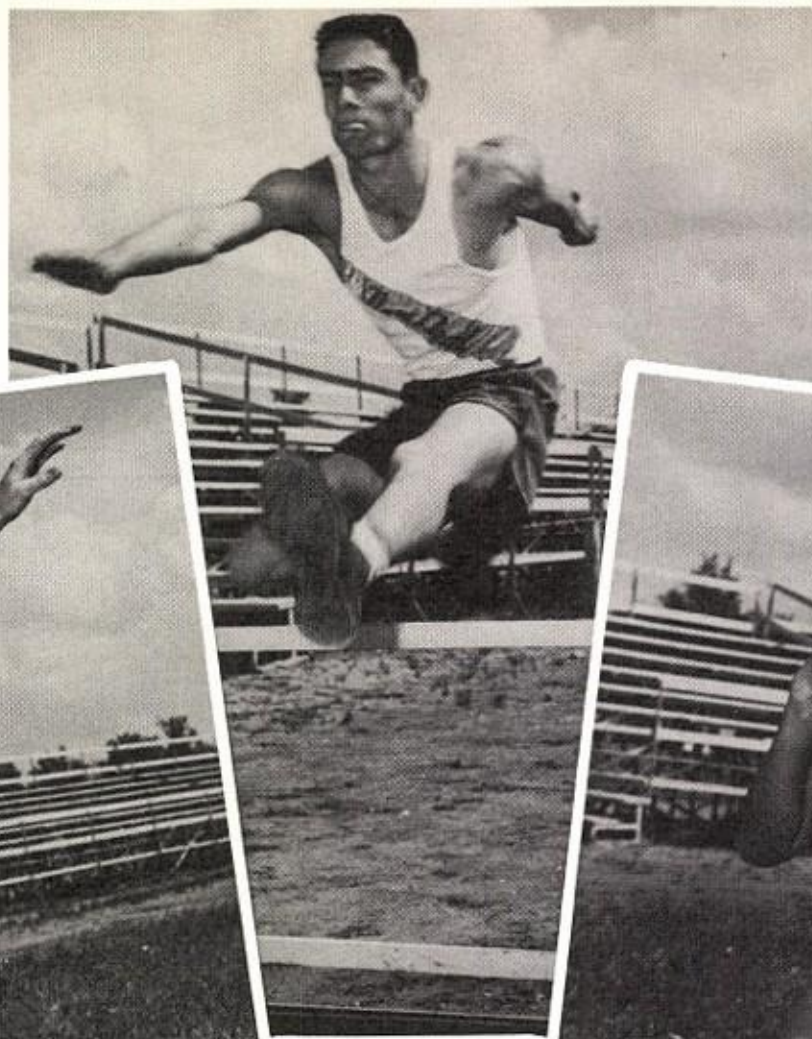

Willie Cox, shown at top, and Bill Kelley, at bottom, led the Green and Gold clad Lions through the track season.

Willie toppled hurdle records and was pushed all the way by the fleet footed Kelley.

These boys carried the banner to the state meet in Austin.

Sylvia, at top left, served very ably as Drum Major in the New Deal Lion Band. The high hat is misleading--she really isn't.

At top right, Jo Ann Ashmore is shown handing over the gavel to Linda Miller. Along with it she hands over her duties as President of the F.H.A. Jo has done a fine job and we are confident of Linda's leadership next year.

The class of sheep shown at the bottom is only one group of many fine animals which were raised by the F.F.A. boys. Mr. Lawson and the boys are also responsible for a number of the improvements seen on our campus today.

The band has done a fine job this year under the direction of Mr. Crain, pictured at right. Mr. Crain has worked hard this year but not in vain. The Lion Band won two Firsts and a Second in the Band Contests this year. A remarkable record for a band which has functioned only two years.

PRODUCTION STAFF CLAIMS IT DOES ALL WORK
-- GETS NO CREDIT

EDITOR THINKS . . .

I think the Lion Tales is one of the best high school papers in Texas. We have done our best to publish the kind of news everyone enjoys reading.

I would like to express my appreciation to the staff and faculty sponsors, whose hard work and co-operation have made it a pleasure to be editor of the Lion Tales.

JEFFCOAT

NEWS HOUNDS DON'T LET NO ONE GET AWAY WITH NOTHIN'

Reporters are the essence of a good paper. They must be curious and should know how to write their curiosities so that they will be interesting to others.

Many of the reporters are more than capable of writing editorial material and have, therefore, produced good reading material for the Lion Tales.

Whether it has been sports, class news, F. H. A. or F. F. A. our reporters have been able to capture the news and write it in a most readable manner.

After the reporters have written the news, then comes the job of producing the paper.

This is where the production staff comes in. First, they must type the material on a stencil, next proof-read it, and then comes the mimeographing.

But they still aren't through. They must then staple the pages together and distribute them throughout the school.

Although it sounds like a small, insignificant job, it is one of the most important.

SPONSOR CLAIMS IT HELPS TO BE JUST A LITTLE NUTS

The Lion Tales staff worked long hours after school preparing the paper. They did such a good job that many compliments and few complaints were turned in. Sacrifices were many and rewards few for those who worked so hard.

The question comes to mind, "Why does one work so hard under such circumstances?" Well, it helps to be just a little nuts, and no one knows better than I.

Cries of anguish resounded for weeks in the senior class. The uproar was caused by the seemingly endless round of rehearsals in preparation for the senior production "ACT YOUR AGE."

When the final curtain fell and the last dime counted, the effort seemed worthwhile. The class did a fine job, on the stage and in selling the play to the community.

Gross proceeds were \$215, a figure far surpassing any previous play presented here. The seniors were thus assured of a trip.

A sense of gaiety and anticipation prevailed in the predawn hours of May 22, as we prepared to board the bus for colorful Colorado. Fourteen hours later the gaiety was wearing thin, but when we got settled and cleaned up everyone felt better and we had a great time around the lodge. Sunday morning we went to church and then swimming in the indoor pool at the Broadmoor Hotel. The water was fine. Monday we went to the Garden of the Gods, the Cliff Dwellings, the zoo, and the Seven Falls. That night some went bowling and some stayed home. Tuesday we journeyed to Canon City and visited the Colorado State Prison, a most interesting experience. We finally got out and didn't leave anyone. After lunch we went on to Royal Gorge, a wonderful example of God's might. Descending into the gorge, looking up at the vast walls towering above and the turbulent waters of the river roaring past make one humble when he reflects on his own relative insignificance. Tuesday evening we either stayed at the Lodge or played miniature golf at the course nearby. Wednesday morning we visited the Alexander Film Co. and saw how advertising film are made for movies and TV. Just before lunch we visited a so-called miracle house where gravity seems to pull toward the north; and stand about 25 degrees out of perpendicular and water runs sideways. After lunch we went ice skating at the Ice Palace. An hour and a half, many hard falls and loads of fun later, we were ready to hobble home for the chore of packing for the trip back home. It took all day Thursday for the trek to Texas, and every one arrived exhausted but happy. I think everyone will agree that it was a truly eventful Senior trip.

IN THE PICTURES

1. "We are walking on the railroad." The bed of this railroad is 1048 feet deep. 2. That's not a four headed monster, its just four people trying to occupy the same spot in the Broadmoor swimming pool. 3. Judy flags the engineer that we're to go to the zoo. 4. It sure was a long climb and now we gotta go back. 5. Boy! you sure can see a long way. Eh, Helen? 6. Gary, shut that door. 7. Take it easy, Ouida. That ice is slick. 8. What's so engrossing, Dolores? 9. Harold and Gary admire the view from the Indian ruins. 10. Take us out of here!! Ida, Clara, Ouida and Maxine wait for the cable car out of Royal Gorge. 11. On the shores of the mighty Arkansas. 12. Big Chief "Humpty Dumpty" Jackson. 13. Indian dancers perform for this group at the cliff Dwellings. 14. We "crossed over the bridge" and took time for a breather. 15. All aboard! 16. Donald says, "I'm not a bit tired." 17. Anniece, most people skate on their feet, or are you just resting? 18. "Hi!" 19. One little, two little, three little Indians. 20. Dana wants to know how much further. 21. 909-910-911-- How many more steps down this thing? 22. Ouida prostrates herself before the grave of Helen Hunt Jackson.

TO THE STUDENTS OF THE NEW DEAL GRADE SCHOOL:

When you read this, another school year will be behind you. Did you accomplish everything you should have? Most of you did not. Do not let this discourage you. No one goes through life doing everything exactly right.

Develop positive thinking and you will soon discover that you are making fewer mistakes. This will lead to a more happy and useful way of life.

May all of you be richly blessed by the One who is able to supply all needs.

Sincerely yours,

Archie Acker
